JACKSONVILLE, ILLINOIS, TUESDAY MORNING, AUGUST 2, 1921

TEN PAGES—THREE CENTS

BIG CRIME PLOT BELIEVED UNEARTHED

FFICIALS THINK ARRESTS WILL HELP CLEAR UP ROBBERIES

Officials of Central Securities Company are charged with altering and negotiating Government Securities—Many Big Robberies Named in Connection With Arrests

(By The Associated Press)
CHICAGO, Aug. 1.—John W. Worthington, president, and Owen T. Evans, vice-president of the Central Securities company were arrested tonight on indictments returned Saturday by the federal grand jury charging them with having in their possession false or forged, or altered government notes, and with buying, selling or exchanging false, forged or altered government notes and with having in their possession false government stamps and bonds. John V. Clinkin, assistant district attorney, declared the arrests will help to clear up many big mail robberies. He indicated it was believed that the Central Securities company had acted as a "fence" for the disposal of loot. Evans was sent to the county jail and Worthington to the Cook County jail.

Government authorities charged that the two have altered many hundreds of thousands of dollars worth of liberty bonds to render them saleable without detection. Then it was alleged that concern known as the Central Securities company, they disposed of the securities to reputable bankers and investors.

Under Investigation Long Time
The case federal officers arrested has been under investigation for a long time. Indictments were also voted against 18 other men whose names have been with the case until they are all safely in jail.

Clinkin declared the ramifications of the plot to dispose of forged stolen securities extended throughout the nation. "This is one of the biggest bank robberies ever known," he asserted. "The arrests of Worthington and Evans do not scratch the surface."

Cite Many Robberies
Among the cases which the authorities declare Worthington and his associates have been connected with are the following: Toledo February 17, 1921, \$1,000,000.
Pullman, Ill., August 20, 1920, 100,000.
Dearborn Street Station, Chicago, April 6, 1921, \$350,000.
Chicago, Ill., January 1921, \$212,000.
Council Bluffs, Iowa, November 17, 1920, \$2,500,000.
Minneapolis, Minn., December 1920, \$50,000.
Centerville, Iowa, March 22, 1921, \$92,000.

**REGARD SCOPE OF
CONFERENCE AS
OF IMPORTANCE**
Would Have to be Outlined
Clearly Before Meeting Starts

WASHINGTON, Aug. 1.—Determination of the date for the government conference was understood today to rest largely in the foreign offices at London, Paris and Tokio. Diplomatic representatives of the invited powers have conferred with Secretary Hughes concerning the advisability of beginning the conference November 11, or on some other date and have referred to the question to their respective governments.

Representatives of foreign governments have made it plain that they regard determination of the agenda as far more important than the fixing of the date of meeting. They are understood to have reported in detail to their governments the desire of Secretary Hughes to leave the main body as much work as possible, but there is increasing evidence that Japan is not alone in her insistence that the scope of the conference be more clearly outlined before the formal sessions are begun.

Although consideration of that phase of the plans is not expected to give rise to further delay in issuing the informal invitations it is believed that the ambassadors expect to receive from the home offices instructions reports as to parts that they will play.

There appears to be a growing conviction that unless some limitation is placed upon the number of subjects to be considered the conference may be continued almost indefinitely. The chief object of Japan, it is understood will be to drive to the front her right to expansion and her claims in Siberia, Manchuria and perhaps other regions.

SID HATFIELD'S STORMY CAREER CLOSED BY BULLET

Well Known Character Meets Death in Pistol Duel

(By The Associated Press)
WELCH, W. Va., Aug. 1.—Sid Hatfield's career ended today on the court house steps of this village. It remains for a coroner's jury to pass judgment as to who shall be held for trial on a charge of having fired the shot that ended the life of a picturesque figure in the industrial strife of Mingo county. C. E. Lively, a private detective, is being held pending a verdict.

Hatfield, former chief of police at Matewan, and central figure in the trial early this year of more than a score of men charged in connection with the killing of a private detective fourteen months ago, with his friend, Ed Chambers, also a defendant in that trial, fell as a result of pistol shot wounds suffered as the two men were entering the court house where Hatfield was to face trial on another shooting charge.

According to persons nearby, Hatfield with friends approached the entrance to the court house just before noon where they met Lively and a group of companions. Friendly greetings were said to have been exchanged, but a moment later those on either side were noticed to assume a hostile attitude. Loud talking was indulged in and this was followed by the crack of pistol fire. No one could, or would say who commenced shooting.

Hatfield and Chambers
Hatfield and Chambers were seen to fall. Examination revealed that Hatfield had been shot in the chest and Chambers in the head and breast. One of the guns carried by Hatfield, witnesses said he carried two, had been discharged. It was said those who rushed forward, all chambers in the pistol were empty it was said. It was stated further that Chambers had but one gun. Some of the shells in it also, had been fired, it was declared.

C. E. Lively was the "surprise" witness for the prosecution in the trial conducted in connection with the death of Albert C. Felts, director of the band of private detectives sent to Matewan for the purpose of evicting miners' families from the houses of a coal company. This trial was the culmination of a street battle in the West Virginia mining town May 9, 1920.

After Hatfield was acquitted, he was removed from the office of chief of police and immediately elected as constable of the Magnolia district, an office he retained to the time of his death.

Although only 26 years old, Hatfield's name was known to almost every West Virginian, and to many persons outside the state on account of frequent pistol episodes to which he had been a party.

Hatfield was one of the witnesses recently called by the senate committee appointed to investigate the industrial conditions in the Mingo Coal Fields.

**WIND DOES DAMAGE
IN STATE CAPITAL**
(By The Associated Press)
SPRINGFIELD, Ill., Aug. 1.—Heavy rains which drenched Springfield and Central Illinois late today caused considerable damage in stores when severe winds were unable to carry all the flood water. In one store \$6,000 worth of stock was damaged. Over one half inch of rain fell in five minutes. With the exception of July 23, 1917 when 66 of an inch fell in the same length of time, today's storm broke all thunderstorm records for forty years.

Gusts of wind blew in a number of windows. The state treasury, center of interest in political developments, was flooded when windows in the senate hall on the floor above were blown in by the wind. No rain fell in Southern Illinois during the storm which swept across the state further north.

W. E. BOSTON SELLS EAST SIDE GROCERY

Had Been in Business for Seventeen Years—Eldon Gruber and Francis Ferry are New Proprietors.

W. E. Boston, who for the last seventeen years has been engaged in the grocery business at the corner of East College avenue and Hardin avenue, sold his stock Monday to Eldon Gruber and Francis Ferry. The new proprietors were given immediate possession. An inventory had been made Saturday night.

It was just seventeen years ago Monday that Mr. Boston started in business at this place, buying the business from a predecessor. Several years ago he erected a new modern brick building on the place. The store has always had a large trade, and Mr. Boston has been considered one of Jacksonville's most successful merchants.

Mr. Boston's plans for the future are not yet definitely settled. For the present, he intends to take a vacation, but is not counting on any change of residence.

The store building was not involved in the transaction, and is still owned by Mr. Boston.

HARDING TALKS TER-CENTENARY OF PILGRIMS

Hopes Principles of Fathers Will Bring World Peace

(By The Associated Press)
PLYMOUTH, Mass.,—Plymouth Rock, for three centuries a landmark of American freedom, was rededicated by President Harding today as a symbol of "real human brotherhood," for all the world.

Speaking at the ter-centenary celebration of the landing of the Pilgrims, he declared his fervent hope that the principle of toleration and liberty for which the fathers crossed the Atlantic might soon awake a new world era in which peace and understanding would be assured among nations.

He referred in particular to the nation's effort toward disarmament, asserting his faith that the movement would succeed. With his tribute to the pilgrims, Mr. Harding linked a eulogy to the achievements of the English-speaking race everywhere and declared he was convinced that the mission of the race would encompass even greater things than it had accomplished. The leadership of the English speaking peoples in the present world crisis, he said, could not be denied nor doubted by any one.

The president's address delivered within a few hundred feet of the spot where Plymouth Rock has been enclosed in iron railings to preserve it for posterity was part of an anniversary celebration in which Vice President Coolidge and many other high officials participated.

Reviews Parade
Previously he had headed and reviewed a parade of civic, military and naval organizations thru the historic streets of Plymouth and tonight he witnessed the ter-centenary pageant reproducing the landing of the Pilgrims.

With Mrs. Harding and a party of friends, the president reached Plymouth from Washington shortly before noon on his yacht, the Mayflower, escorted by three battleships and six destroyers and welcomed by a booming of the presidential salute from a battery ashore. A British cruiser, the Cambrian, dipped her flag at her anchorage just outside Plymouth harbor.

Ashore a troop of cavalry formed a presidential guard of honor and many organizations, including a unit of British marines from the Cambrin, marched in the parade.

Other Speakers Take Part
The president's hope that Plymouth Rock might become a shrine for all free nations was echoed in brief addresses by William H. DeBeaufort, charge of the Dutch legation at Washington and Captain Sydney H. Bayley, naval attaché of the British embassy there. Vice President Coolidge spoke briefly. Secretary Weeks also had a place in the speakers' stand.

The exercises were turned into an old home week celebration when, at the word of the chairman that they were to be closed the crowd cried loudly for Vice President Coolidge, Senator Lodge, Major General Clarence B. Edwards and Secretary Weeks.

Senator Lodge commented on the early Americanism of the pilgrims, pointing out that once they had set foot in the new country, they had cut loose from virtually all ties in the old and had begun to love America, notwithstanding it was a wilderness, and to build for the future.

Leaving tonight aboard the Mayflower, the president and his party expect to reach Portland, Me. tomorrow morning and there take automobiles for Lancaster, N. H., where they will spend the remainder of the week resting at Secretary Weeks' place and sightseeing among the White Mountains.

TAKE ACTION ON EDGMON STREET SEWER

The matter of the contract for the Edgmon street sewer was taken up.

The board of local improvements met in the council chamber Monday evening immediately following the council meeting with all members present.

The bid of Simeon Fernandes was the lowest and was referred to the city attorney for an opinion before signing the contract. Mr. Fernandes bid \$123 and the estimate of the engineer is \$65.

RETURNED FROM NORTH
Mrs. Harriet Nelson of West State street went recently to Point Arthur, in northern Minnesota, expecting to make a lengthy stay, but the dangerous illness of her son Wayne, at Columbus, Ohio, called her to that place, from which she has returned home.

TAX REVISION IS PROBLEM THAT IS FACING CONGRESS

Mellon Suggests Tax on Bank Checks, Cigars, Tobacco and Cigarettes and an Increase in Postage—Also a Flat Tax of \$10 on all Automobiles—Would Raise Four Billions

(By The Associated Press)
WASHINGTON, Aug. 1.—A tax of two cents on bank checks, a flat license tax of \$10 on all automobiles, irrespective of cost or horse power, an increase of first class postage rates to three cents and an added levy on cigars, tobacco and cigarettes are understood to have been among tax revision suggestions presented today by Secretary Mellon to the house ways and means committee, meeting in executive session. Other suggestions were said to have included:

A reduction of 50 per cent in transportation taxes, both passenger and freight, next year, and their elimination the year following.

Repeal of the taxes on soda fountain drinks and ice cream.

AWARD COMES TO GEORGE BOEHMER AFTER HIS DEATH

Case in Hands of His Maker, McCauley Tells Washington

(By The Associated Press)
SPRINGFIELD, Ill., Aug. 1.—George Boehmer, a former soldier of the 119th, "Wildcat" division waited two years for the war risk bureau to adjust his claim for compensation. The award was made today—eight hours after Boehmer died of tuberculosis.

William C. McCauley state commander of the American Legion sent this report to Washington:

"Boehmer received his reward this morning. Case now in the hands of his Maker."

It was said to whom McCauley referred last Saturday when he sent messages to President Harding and United States Senators McCormick McKinley and Smoot urging adoption of the Sweet bill or similar legislation for the relief of disabled veterans.

"Don't let any more disabled men die cursing their country," the message said.

Today's message telling of the award of Boehmer's claim said: "I trust this action may conduce materially to the alleviation of his condition."

It was from the White House.

ASHLAND SWEEP BY SEVERE WIND STORM

Houses are Unroofed and Trees Uprooted in Cass County Town—Lightning Also Does Damage.

SPRINGFIELD, Ill., Aug. 1.—Ashland, in Cass county, was swept by a severe wind and electric storm, accompanied by a heavy downpour of rain today. Trees were blown from two homes, the roof of another was damaged by a falling tree and several other homes were slightly damaged by wind and lightning.

Roofs were blown from the homes of Thomas Watts and James Christy and the roof on the residence of J. Ross Jones, was crushed by a falling tree. Several trees in and near the city were blown down. The storm broke shortly after four o'clock and continued for half an hour.

LANDLORDS PLAN TO RAISE RENTS

Chicago, August 1.—Hundreds of tenants reported to the Chicago Tenants' Protective League today that they had received notices of rent increases ranging from 15 to 20 per cent and effective on October 1 from their landlords. In many cases it was reported the rents asked were higher than for similar apartments last May.

POSTPONE PICNIC

At a workers' conference held at Lynville Christian church Monday evening, it was decided to postpone the church picnic until Tuesday, August 9. The picnic is to be held at Mercedosa.

Ex-Governors Dunn, Fifer and Yates are with Gov. Small very strongly in his present troubles.

Samuel Gompers, president of the American Federation of Labor, has written presidents of local unions and organizers to aid in the fight against the prison contract systems in various states, to urge improvements in federal and state vocational systems and to assist in increasing the membership of the federation to 5,000,000 before the next convention.

Prospective home owners will have a chance to solve some of the stumbling blocks in the path of "owning their own" at the conference on small house problems which opens August 1, in Chicago. The conference was called by the president of the Illinois Society of Architects, and is expected to be a material

stimulant toward small house construction this fall and next spring.

The United States senate by almost unanimous vote, has passed the Sheppard-Towner maternity bill designed to reduce suffering and death among mothers and to save infant life. The bill carries an appropriation of \$1,480,000 to be allotted to the states on a dollar matching basis. It is claimed that twenty-five thousand mothers die each year at the crisis of life, and that a quarter of a million babies succumb from preventable causes.

The most convincing testimony showing the attitude of the best business minds in the country toward the Turnover Tax, is furnished through the result of the United States Chamber of Commerce's referendum, just announced, says the Bache Review. By this countrywide vote, the Chamber is committed to the Sales Tax as a substitute for all the obnoxious taxes on business, which have been hectoring and destroying industry for four years. More than 500 business organizations voted in the referendum just completed.

TRIPLE EFFORT FOR LABOR

"The Republican administration is now engaged in three lines of effort for the promotion of the welfare of American labor," says the Republican Publicity Association. "It is restricting immigration, framing an import tariff on cheap foreign goods, and building up our export trade."

"Restriction of immigration has a double purpose—to relieve the labor situation at a time when there are more men than there are jobs, and to give opportunity for the Americanization of the foreign element already here before admitting any considerable number of new immigrants. In both particulars the effect upon American labor will be good, for there will not only be less competition in numbers of workmen but as a result of the Americanization of the immigrants their standards of living will be raised and they will expect and ask the same wage standard the American workman desires."

"The enactment of an import tariff law will supplement the restriction of immigration. There is little use protecting the American workman from the competition of immigrant labor if we are to leave our ports open to the free admission of the products of foreign labor. A workman who can come to this country and lower the standard of wages and living by his competition here can also lower the American standard by producing goods at home and shipping them here to be sold in competition with the product of American labor. This is a fact frequently overlooked

by Democrats who favor restriction of immigration, but oppose any restriction on the importation of the products of the labor of the men they do not wish to admit as immigrants. In truth, if we are to choose between admitting foreign labor or the products of foreign labor, the former is preferable, for the foreign laborer admitted to this country will spend much of his earnings here, while the foreign laborer who produces at home and ships the product here, spends his earnings abroad. It is not proposed to enact an import duty that will be absolutely prohibitive, but to make the import tax high enough to represent the difference in cost of production, and thus put the American producer on an equality with his foreign competitor.

"In building up export trade the government is pursuing several plans—permitting combinations for export sales, sending trade representatives to all the principal nations and maintaining a merchant marine which will be an agency for the establishment of regular trade routes as well as extending the opportunity for shipment of American goods to markets not hitherto reached. Every dollar's worth of American goods shipped abroad means a dollar to be expended for the payment of American wages or the purchase of American raw materials."

"War's aftermath finds several million men out of employment. Government can not find a complete remedy for such an economic condition. The present administration is doing everything possible, however, to afford all the relief that can be attained through legislation and administration."

Rheumatism of the Feet

It is not at all unusual to find a person doctoring for rheumatism of the feet and limbs when by examination it is found that falling arch or flat foot is the cause of the pain. In other cases flat foot results from a rheumatic condition of the system. In either case Dr. Scholl's Foot Appliances should be carefully fitted and worn inside the shoe. The strain is immediately relieved, the foot carefully supported and weight equalized, which has a soothing, restful effect even in the severe cases. Stop in and let us show you. BOARD OF EDUCATION MET MONDAY EVENING

Regular Session Provoked Much Discussion of Various Matters—Will Endeavor to Get Matters Closed Up Pertaining to New Building.

The Board of Education met last night and did a lot of discussing and some business as well. The sum of \$8,000 was ordered paid the Gause estate on contract. A large enrollment in the high school was reported, more high school teachers are to be employed. The coal contract was awarded to Lewis and Cleary at \$5.04 per ton.

The proceedings:
The board met in regular session with all present except Members Muelhausen; President Lippincott in the chair.

Bills amounting to \$564.21 and payroll, \$570.99 were ordered paid. F. E. Farrell, on behalf of the Bernard Gause estate was present, asked for a payment on the contract with the estate and \$8,000 was voted him.

The building and grounds committee said many requests for the use of school property had been made. One man recently asked permission to occupy the open air school premises as a dwelling as he was unable to find a house to rent.

The rates to be charged for the use of the high school auditorium for purposes other than the high school were referred to the superintendent and buildings and grounds committee to investigate and report.

Superintendent Perrin said the enrollment in the high school promised to be unusually large this coming year and it would be necessary to employ additional teachers; also some to fill the places of those who had been employed and had resigned. It was suggested that the sum anticipated to be available had been exhausted but it was thought that additional means would be forthcoming for this purpose. The superintendent was authorized to employ the needed instructors including a cafeteria instructor.

The needed equipment for the work of the various departments of the high school was announced and steps taken to provide it.

The high school building had not been formally accepted and the secretary was instructed to do all in his power to get Architect Rover and English Brothers here to close things up.

Bids for 1-1-4 screen coal, Springfield district, were read, Lewis and Cleary, \$5.04; Harrigan Bros., \$5.05; Snyder Fuel and Ice Co., \$5.30; Fernandes and Son, \$5.39; Paschall, \$5.45; Baptist, \$5.49; Hoffman, \$5.55. The contract was awarded Lewis and Cleary.

The superintendent and buildings and grounds committee were empowered to secure some steel shelving.

Adjourned.

U. S. SENATOR SPENCER

Senator Selden P. Spencer of Missouri will speak on "Some Big Things" at our chautauqua on the afternoon of Sunday, August 14th. Senator Spencer is a fine example of American men prominent in public affairs who have always stood for righteousness in public and private affairs. For many years before he entered the American senate, he was prominent in the affairs of the "show" state, and in almost constant demand as a public speaker. Some years ago he spoke in Jacksonville and all who heard him recall with pleasure his fine manhood and excellent address. In the senate he has filled a prominent place almost from his entrance and has been chairman of many important committees among others that which is hearing the Newberry-Ford contest from Michigan.

Senator Spencer's address will deal with the great problems which are at the forefront in our country today from the standpoint of one who is in close touch with the "Big Things." Jacksonville Chautauqua, Friday, Aug. 12 to Sunday Aug. 21.

CHILD DIED NEAR WOODSON MONDAY

Infant Daughter of Mr. and Mrs. Ernest Jones Passed Away After Brief Illness—Other Woodson Items.

Woodson, Aug. 1.—The infant daughter of Mr. and Mrs. Ernest Jones passed away Monday afternoon at the family home east of Woodson. The little one had been ill but a few days. The parents have the sympathy of their friends in their bereavement.

Mrs. H. J. Kreischer and son Raymond of Yates Center, Kan., will leave today for Denver, Ill., after a few days' visit with the former's sister, Mrs. I. H. Fuller, in Woodson. In Denver they will be guests of Mrs. Kreischer's mother and sister for several days.

The watermelon club of Woodson will hold a meeting at 8 o'clock Wednesday evening for the election of officers and the transaction of other business. The club plans to give another picnic soon after reorganization.

The little child of Mr. and Mrs. Amos Harney is improving in a gratifying manner. The village board has ordered a thorough clean up in Woodson and the work of making the village a sanitary one began Monday. Mr. and Mrs. Fred Henderson are moving their household goods to Litterberry where Mr. Henderson will engage in the grocery business.

At the Christian church Sunday evening there was the regular preaching service. This was followed by the baptism of two persons.

WILL INSTALL SET OF CATHEDRAL CHIMES
A set of Deagen cathedral chimes will be installed in the organ in the College of Music of the Illinois Woman's college about the middle of August. The chimes will be housed in their own separate swell box on the opposite side of the auditorium from the main organ. Both the swell shutters and chimes will be controlled by electric action generated by a special device attached to the organ blower. By the installation of the chimes many new and beautiful musical effects will be possible and brings the organ up to date.

Director Pearson expects to give his first recital soon after the opening of college, when the public will be given an opportunity of hearing this latest addition to a pipe organ that was already rich in its variety of tonal effects.

A. C. METCALF AND FAMILY RETURN

A. C. Metcalf and family have returned from their summer outing which they greatly enjoyed. They encountered some fearfully bad roads; some high prices, not paid, and some very reasonable rates accepted. Their time was spent mostly at Lake Wisconsin, near Lake Owen where there were many attractions. The return home was made leisurely and without mishap.

PROF. PERRIN AT HOME

Prof. Perrin has returned to the city and will remain here during his absence has been spent at the University of Chicago on advanced work investigating present demands of industrial and educational modernization of the high school.

Winchester Boy Dies Suddenly

Infantile Paralysis Claims Wilbur Harold Irlam Sunday.

Winchester, Aug. 1.—Wilbur Harold Irlam, son of Mr. and Mrs. T. Ernest Irlam, died at 1:30 o'clock Sunday afternoon at the family home south of here after a brief illness from infantile paralysis.

The boy became ill Wednesday of last week, and medical science was used with no avail.

The deceased was ten years old. He was a bright boy and will be sorely missed by his relatives and friends.

The Irlam family formerly resided near Woodson in Morgan county.

Besides his father and mother he leaves one sister, Evelyn Louise and numerous other relatives.

Funeral services will be held at 1:30 o'clock Tuesday afternoon at the residence. Burial will be made in Winchester cemetery.

Automobile Ditched in White Hall Sunday

White Hall, Aug. 1.—A Ford automobile occupied by Warren Tackington and another young man named Buchanan was ditched as it crossed the Burlington track at the north limits of the city about 2 p. m. Sunday.

It turned upside down over the ditch and when the excitement was over the occupants found themselves in the ditch, under the machine, with hardly a scratch.

In skirting the edge of the ditch after going up over the Burlington track at a high rate of speed, one of the front wheels came off, causing the "derailment."

Although the machine was badly wrecked it was pulled out of the ditch a couple of hours later and proceeded on the way to Roodhouse with the two occupants in a happy frame of mind.

Four Girls Leave for Camp at Lake Geneva

Four Jacksonville young women left early Tuesday morning for Lake Geneva, Wisconsin, where they will attend a conference of the Missionary Education movement, which lasts until August 12.

Three local churches are represented. Ruth Bailey and Margaret Johnson go from the Congregational church, Anna Frances Bradley from Central Christian church, and Eunice Williamson from Grace.

The conference program will include study classes and a number of addresses by those who are well versed on missionary topics. Ample time will be allowed for recreation.

Mrs. James Capps, Jr., Here

Mrs. James C. Capps, Jr., of Toledo, Ohio, is a guest in Jacksonville at the home of her parents Mr. and Mrs. Nelson C. Murphy on West College avenue.

TO SETTLE ON ROUTE FOR STATE HARD ROAD

White Hall and Carrollton Representatives to go to Springfield in Effort to Adjust Differences Over Route.

White Hall, Aug. 1.—White Hall and Carrollton representatives will go to Springfield Thursday to further adjust the differences growing out of the right of way for the state hard road between White Hall and Carrollton.

H. W. Roodhouse opposes the survey that straightens the road along his farm four miles south of White Hall, and it is this opposition on the part of the mayor that has been holding up the hard road program thru this section.

C. B. Roodhouse, brother of the mayor is quoted as taking an opposite view, in that he so much favors the permanent road improvement that he consents to any route that the engineers choose thru his farm.

Another obstacle remains to be overcome in Macoupin bottoms, south of Carrollton and this is being handled along with the Roodhouse proposition.

A conference was held at White Hall last week in an effort to bring about an adjustment. This conference was brought about by the local officials of the Mississippi Valley Highway and there was a state engineer present, also Stuart E. Pierson of Carrollton, president, and Jack Wilson, secretary, of the Mississippi Valley Highway association.

Among those present were C. H. Giller, J. H. Piper, Guy Lowenstein, George W. Boyd and Louis Lowenstein. It was brought out that a settlement must be effected at once, as the contracts for this stretch of road are to be let September 1st.

At the conference in Springfield this week a proposition for changing the survey to suit Mayor Roodhouse will be presented. On the results of this conference depends much in the way of early hard road construction along the Mississippi Valley Highway in Greene county.

GOOD CORN PROSPECTS IN GREENE COUNTY

White Hall, Aug. 1.—The weekly crop report for this vicinity is prepared to state that there was never a better prospect for a corn crop than at this time, and it has advanced far enough to miss an average frost.

Wheat threshing will be completed this week. Operations have been delayed by occasional heavy showers during the past two weeks.

So far about forty cars of wheat have been shipped from this point, about 60,000 bushels, and it is calculated that there are 40,000 bushels more to go out, as some farmers have been holding back their wheat and a consider-

able amount will be threshed this week. The car situation has been favorable so far for the prompt loading of wheat, except that there was one period of a couple of days when receipts had to be refused on account of no storage of car room. The overhauling and putting into service of the north elevator has been a great aid during the present harvest season.

The oats are now out of the way. There was a large acreage, but the crop was light and the quality poor.

Showers of the past week have been of great benefit to vegetation and pastures are recovering splendidly. Road conditions are good, there not being enough rain at one time to make bad mud-holes.

Euks picnic this evening for Elks only, at Morgan County Anti-Tuberculosis grounds.

WHITE HALL WINS

White Hall, Aug. 1.—The tenth consecutive victory of the White Hall Invincibles was recorded Saturday in a game with the Springfield Laurels. The visitors were simply outclassed. The game was a clean and rather classy one.

Alfred's error in the sixth inning resulted in the two runs that the visitors scored. The routing of the Roodhouse element for Springfield had no effect in the scoring by the Invincibles.

GOVERNOR SMALL
TO RESUME TOUR

(By The Associated Press)
KANKAKEE, Ill., Aug. 1.—Governor Small tomorrow will resume his good roads inspection tour, weather permitting. Rain may delay the trip another day. Tomorrow's proposed itinerary includes visits to several proposed road improvement projects in Iroquois county, inspection of seven roads under construction in Vermilion county, a luncheon at Hoopston at noon and a dinner at Danville tomorrow afternoon. Danville friends have announced plans for a public reception following the dinner. Wednesday's itinerary has not been completed but the governor

probably will work west by way of Decatur and Springfield, inspecting other road improvements as he goes. When the governor's attention was called to reports that former Governor Joseph W. Fifer and Attorney James M. Graham and George B. Gillespie would handle his case in the future, he replied, "I am not interested so you don't need to tell me about it."

—SKATES MILE IN 2:45 3-5
Reading, Pa., Aug. 1.—Skating a mile in competition in 2 minutes, 45 3-5 seconds, Frank Kloppe of Philadelphia International amateur roller skating champion, established a new world's amateur record in winning the mile open, the feature of the speed skating races tonight. The former record, 2:51 2-5 was made in Chicago in 1901.

WOMAN BATTLES
WITH TIGERS IN
CIRCUS PARADE

Finally Drives Them Into
Another Compartment

(By The Associated Press)
AURORA, Ill., Aug. 1.—A battle between a woman and three wild tigers behind the gilded bars of a circus wagon before hundreds of spectators during a parade today caused a near panic during which several women fainted. While the woman battled alone to subdue the beasts, the horses drawing the wagon became frightened at the roars of the animals and plunged from side to side of the street threatening to upset the cage, releasing the tigers. There followed a mad scramble of men, women and children to escape and several persons were trampled in the rush before circus roustabouts, armed with long steel bars, succeeded in subduing the beasts. One animal was so badly injured that it was shot tonight. The cage was divided into two compartments. In one was a half-tamed tiger and the woman tamer, Mabel Stark of Louisville, Ky. In the other, separated only by a steel barred door were two untamed tigers. The jar of the wagon loosened the fastenings of the door. As it swung open the battle started. Miss Stark, armed only with a whip, succeeded in fighting the beasts into one compartment and in barring the door before help arrived. Then the tigers battled between themselves, the efforts of a half dozen circus hands being required to separate them.

GIRLS WILL CAMP
AT ROTARY COTTAGE

Social Service League Sends Girls to Meredosia for Week—Boys Return Home Monday.

Three auto loads of Jacksonville girls left Monday morning Meredosia where they will camp for a week under the auspices of the Social Service league. They will occupy the Rotary club cottage and will be under the charge of Miss Lucy Catlin. Miss Catlin will be assisted by Miss Ruth Irving and Miss Elva Rodgers. The girls were taken to Meredosia by Miss Edith Rodgers, Miss Anne Fowler and Morrison Worthington. The same cars brought back the boys whom the league had had there for the past week under the direction of the Rev. Walter E. Spooner. Mr. Spooner returned to Jacksonville Saturday, his place being taken by J. S. Findley.

CONVICTS ARE FOUND

JOLIET, Ill., Aug. 1.—Two convicts who have been hiding within the stockade of the new state prison since Thursday night, were found late today in the hay loft of a barn within the prison yards. The convicts, William Dickman and James Kelly, sentenced from Cook county for from one year to life for robbery, remained within the barn until today when hunger drove them to attempt an escape. A guard on the wall of the prison saw them and shot several times. A detail was sent out and the prisoners were captured.

MEXICO TO CLAIM
PACIFIC ISLANDS

Among Them is Santa Catalina Owned by William Wrigley of Chicago—Basis of Claims Runs Back Thru the Centuries.

SAN ANTONIO, Tex.—(By A. P.)—Contentions upon which Mexico may base her claims to a number of islands just off the coast of California in the Pacific Ocean, which are now occupied by Americans and are under the control of the United States, are summed up in a report made to President Oregon by General Amado Aguirre, sub-secretary of agriculture and chief of the commission making a study of the islands, according to an account in Excelsior published in Mexico City. The report declares that the claim of Mexico to the islands is indisputable, but that the Mexican government is willing for the islands to remain under the American flag in return for foreign credit, the amount of which was not stipulated.

Included in the group of islands is Santa Catalina, of which San Miguel, Santa Rosa, Santa Veracruz, Anacapa, Santa Barbara, San Nicolas and San Clemente.

The arguments of General Aguirre in favor of Mexico's claim to the islands, as published in Excelsior, are:

"The United States is not occupying them by right of discovery, because they were discovered in the 16th century by the Spaniard navigator Cabrillo, who gave them the names they now bear. They are not occupied by right of conquest, for they were never conquered."

They are not occupied by right of territorial jurisdiction, because the international code of the United States sets the principle that the territorial jurisdiction of a nation cannot extend farther than a league from shore, and the islands in question are at a greater distance from the shore of the United States.

"The international code of the United States rejects the right of conquest by stating that not all territory conquered belongs to the conqueror, but only that part assigned by definite stipulations of duly authorized treaties."

Further proof of the claim of Mexico to the islands is cited in the decree of the queen of Spain in 1836, declaring that in the future all possessions of the Kingdom of New Spain belonged to the Republic of Mexico, a sovereign nation. For many years, Mexico actually exercised control over the islands, it is asserted.

In substantiation of the assertion that Mexico exercised dominion over the islands, it is pointed out that a decree was issued June 29, 1838, authorizing the governor of California to make grants of any part of the islands to Mexicans, according to the stipulations of the law of August 18, 1824, and that the titles to parts of the islands granted to Castillero and Carriol in 1839 and 1841 were nullified by later decrees of President Santa Anna in November, 1853, by President Alvarez in July, 1854, and 1854, and by President Oregon may include the matter in General Aguirre's report in future negotiations between the United States and Mexico toward the accomplishment of a proposed "Treaty of Friendship and Commerce."

SAILORS CRITICISED
FOR HUGGING GIRLS

CHRISTIANIA, Norway.—(By the A. P.)—The officers of the American battleship squadron which recently paid a two-weeks' visit to this port were very popular and were entertained privately in Norwegian homes but the leading newspapers of the city criticised severely the conduct of some of the sailors while on shore leave.

The squadron was composed of the Kansas, Michigan, Connecticut, South Carolina and Minnesota, under command of Rear Admiral Hughes.

The Christiania newspapers published several articles protesting because the American sailors made too violent love to the Norwegian girls while riding about the city in taxicabs, asserting that the sailors "squeezed and hugged them" in public.

One of Norway's prominent clergymen wrote a protest to the Afterposten charging that the conduct of some of the American sailors was "an insult to the city" and a disgrace to the American nation. He urged Admiral Hughes to put a stop to it. Some parents sent letters to the newspapers urging the Norwegian authorities to protect the Christiania girls from associating with the American sailors.

WILL CLEAN UP THE
STREET OF MANY FAKIRS

BERLIN.—(By A. P.)—"The Street of Many Fakirs"—the section of the Friedrichstrasse between Unter den Linden and Koch streets—may soon lose the right to its exotic title, won by virtue of the varied and questionable commerce which thrives upon its sidewalks and crossings, for an agitation has been started to "clean it up."

Every article from jumping jacks to fine Oriental rugs may be purchased from the vendors who infest the street, eternally crying their wares.

The chief complaint against the character of the street, however, is that thieves use it continually as a clearing-place to market their "hauls." Not infrequently a ragged, unkempt man will offer most expensive imported fabrics for suitings, in odd bolt lots at ridiculous figures. Much of this stuff, the police feel certain, has been stolen, but it is difficult to fix the crime on the street vendor. Victims of the various drug habits find their chief source of supply on this street.

Chicago, Aug. 1.—Twelve men were named today by the federal jury in true bills charging them with having in their possessions and selling intoxicating liquors in violation of the federal prohibition act. Among those named were Joseph Galvin and Benjamin Stiffled of Rock Island, Ill. Five others were named charged with the possession and transportation of liquor unlawfully.

KOKOMO IS NOW AIRPLANE CENTER

KOKOMO, Ind.—This city,
whose name was once considered
good for a laugh on any vaude-
ville circuit, is forging to the
front in the aeroplane business.
Kokomo has one of the most
complete and best equipped and-
ing fields in the country, is the
home station for the first air
unit allocated to the reorganized
National Guard, is headquarters
for a large commercial aviation
concern which handles cross
country express shipments, and
is preparing to hold an aerial
congress in September.

Kokomo, meanwhile, has been
encouraging other Hoosier cities
to give their aid to aviation. As
a result nearly 100 cities in In-
diana have available landing
fields. Not all of the fields are
ideal. Sixteen cities, however,
in addition to Kokomo have land-
ing fields classed as "good,"
meaning that they offer practical-
ly every facility for airplane fly-
ers. These are Indianapolis, Wa-
bash, Terre Haute, Anderson,
Evansville, New Albany, Salem,
French Lick, Goshen, South Bend,
Logansport, Fort Wayne, Lafay-
ette, Columbus, Richmond and
Huntington.

Throughout Indiana there are to-
day sixty individual owners of
airplanes. Some operate their
ships for pleasure some for com-
mercial purposes. One Kokomo
business man maintains a pleas-
ure plane and accompanied by his
wife makes frequent trips to sur-
rounding cities and summer re-
sorts.

PRETTY WEDDING AT WINCHESTER SUNDAY

Miss Margaret E. Green is bride of Raymond C. Hatfield of Naples. Other Winchester News Notes of Interest.

Winchester, Aug. 2.—The marriage of Miss Margaret E. Green, daughter of Mr. and Mrs. Harvey Green and Raymond C. Hatfield of Naples took place at noon Sunday at the home of the bride here. The ceremony was performed by Rev. Mr. Corrie, pastor of the Methodist church and was a quiet but very impressive one. The only guests were Mrs. Arthur Hatfield of Naples, mother of the groom, and Mr. and Mrs. Harold Hatfield of Decatur, the latter a sister of the bride.

Mrs. Hatfield is the oldest daughter of Mr. and Mrs. Green and is held in highest esteem by all who know her. She is known as one of the most successful teachers in Morgan and Scott counties, having served two years as principal of the Mercedia high school and the past year as superintendent of the Naples public schools. The family home was until recently maintained at Naples, where the bride has a host of friends.

Mr. Hatfield is a son of Mr. and Mrs. Arthur Hatfield of Naples. He is a telegraph operator for the Wabash railroad at the company's offices in the famous Barr building in St. Louis. Mr. Hatfield is a young man who has the respect and esteem of all who know him. Mr. and Mrs. Hatfield left at 2:30 o'clock Sunday afternoon for St. Louis and from there will go to Detroit, Mich., where they will make a brief visit with Mr. and Mrs. Glenn Bagby, the latter a sister of Mr. Hatfield. Mrs. Bagby will join Mr. and Mrs. Hatfield for an eastern trip via Buffalo, New York City and Coney Island.

Mrs. and Mrs. Hatfield will be at home in St. Louis after August 19, and their many friends join in wishing them a long and happy wedded life.

News Notes.

Mrs. Robert Gehrs of Marine is a guest at the home of Dr. and Mrs. Wood.

Miss Ruth Priest left Sunday for Quincy, where she is to take a position as supervisor in one of the hospitals there. Her many friends regret that she is to leave Winchester but hope for her success in her new work.

William Harold Irlam, the ten year old son of Mr. and Mrs. Ernest Irlam, passed away Sunday afternoon at their home southeast of Winchester after a brief illness of infantile paralysis. The parents have the sympathy of their friends in their bereavement.

Private funeral services will be held at 1:30 o'clock Tuesday afternoon from the home, Rev. Ansel Conlee officiating.

Miss Verna Nelson of Racine, Wis., is visiting at the home of Mr. and Mrs. Hart Colagen.

Charles Carlton and wife and daughter left Sunday for Beardstown where Mr. Carlton has work for several weeks to come.

Lou Bailey, wife and daughter Katherine and son Russell left Sunday for a visit in Decatur.

F. Gillman, Mr. and Mrs. Earl Nelson and daughter, Dorothy and Miss Ruby Bailey were visitors in White Hall Sunday.

Miss Rose Gasen returned Monday to her home in Virden. She was accompanied to Jacksonville by her brother, R. R. Gasen, the trip being made in an automobile.

C. A. Callahan of Decatur was a business visitor in Winchester Monday.

A committee from the Christian and Methodist churches is busy this week making preparations for the burgoo picnic which will be given soon.

Persons who are willing to entertain one or more of the Chicago children soon to be brought to Scott county for an outing, are asked to communicate with either of the following: Rev. Carl Corrie, Robert Sperry, Herman Smith, Guy Faul.

ENJOYED FISHING TRIP

A merry crowd drove by auto to the home of James E. Roe two miles north of Mercedia Sunday on a fishing trip. Those in the party were Mr. and Mrs. S. B. Robinson and Miss Ruth Jones of Murrayville, Mr. and Mrs. Chas. Vineyard and daughter of Roadhouse, Mr. and Mrs. Chas. Watt of Woodson, Mr. and Mrs. J. E. Roe, Mrs. and Mrs. Carl Smith and son of Jacksonville, Mr. and Mrs. Geo. Smith and family of Chapin, Mr. and Mrs. Cox and family of Concord, Mrs. Anna Robinson and son, Floyd and James E. Roe. All returned late in the evening reporting a fine time.

CHAMBER OF COMMERCE NOTES AND COMMENTS

Slam Oakey champion Bull Dogger and Tommy Kernan and wife arrived in the city yesterday to be ready to take part in the Round-Up that will be staged this week. Eight other cowboys came in late last night too late to ascertain their names.

A meeting of the entire committee of fifty-five men that are doing the work of staging the Round-Up has been called for 3 o'clock today by General Chairman E. E. Crabtree. This will be the final meeting of the committee and it will be well attended.

W. A. Fay, T. M. Tomlinson and E. R. Barbour spent Monday advertising the Round-Up and the change of train time, they visited the towns of Havana, Bath, Chandierville, Virginia, Litterberry, Sadorus and Little Indian, H. A. Williamson, Charles Blair and Carl Newport will depart this morning for Chapin, Bluffs, Oxville, Valley City and Griggsville to advertise the big show.

The contest for Queen of the Mardi Gras is going merrily on, money received after expenses are paid will be added to the fund to build the bridge at Nicols park.

Three new members were added to the membership list Monday. All of these came to the office of their own accord and took out their memberships. The membership in the Chamber of Commerce is open to any respectable citizen who has the best interests of Jacksonville at heart.

Another supply of banners for the rear of automobiles have arrived. Anyone desiring one can have same if they will call at the office.

George Adams and David Dawson are helping out with the office work in connection with the Mardi Gras. They began last week and the rush of work is keeping them busy.

The committee on Labor Day will meet the committee from the Central Labor assembly Thursday night, the two committees will discuss the best plans for making the celebration a success.

Chief, the jumping horse of the Round-Up gave a demonstration of high jumping on the Stout lot yesterday when he hurdled over the top of Charles Strawn's Stud-eaker, much to the wonder of the onlookers.

Funerals

Cook.

P. S. Cook, a world war veteran, homeless and without relatives, was buried in the Odd Fellows' plot at Jacksonville cemetery Sunday afternoon with full military honors. Services were conducted at the undertaking parlors of John H. O'Donnell, with numerous members of the Jacksonville and Bluffs American Legion posts attending.

Although ex-service men here were never acquainted with the deceased, they arranged the funeral details with as much interest and feeling as if he had been a member of their post. Odd Fellows assisted in the plans, Cook having been a member of that order.

A considerable number of Jacksonville people witnessed the military and lodge rites at the cemetery.

UpChurch.

Largely attended funeral services for Mildred Upchurch, 16 year old daughter of Mr. and Mrs. Albert Upchurch of near Sinclair, who drowned while bathing in the Illinois river at Peoria, were held at 10 o'clock Sunday morning at the family residence. No morning services were held at Hebron Methodist church, and a large part of the membership of that congregation went to the Upchurch home. The funeral sermon was preached by Rev. Ray L. Ragan, and burial was made in the Hebron cemetery.

The floral tributes were in charge of the Misses Leva Norfleet, Marjorie Curtis and Louise Wheeler.

Music was furnished by the Misses Sarah and Emma Swain, Arthur and Guy Swain.

The pallbearers were: Lyman, Ulysses and Jason Fox, Frank and Henry Pingman and Russell Thompson.

GRACE SUNDAY SCHOOL

The announcement of no school in the Primary and Beginner's Departments interfered very materially with the general attendance of the school. Miss Eloise Capps accompanied by Mrs. Kolp played a violin solo that was thoroughly appreciated.

Special announcement was made of the Centennial celebration to be observed August 4. Grace church is getting behind the movement in great shape, preparations are being made in all phases of the day's program.

The male members of the office and teaching force have arranged themselves into a base ball team with Ralph Floreth captain and in the very near future some ball games will be announced.

The ladies of the Pastors Aid will meet at the church on Wednesday morning nine to eleven thirty to make surgical dressings for Passavant hospital.

Wednesday evening the mid-week prayer service.

Thursday morning at ten o'clock the members of the church and Sunday school are asked to assemble at the church to participate in the Centennial parade to the Passavant hospital grounds.

GOVERNOR SMALL HERE THIS WEEK

State Executive Accepts Invitation of Chamber of Commerce to Attend Cowboy Roundup.

Governor Len Small has been invited by the Chamber of Commerce to be their guest at the First Annual Round-Up to be held in this city Aug. 4, 5 and 6, 1921. Governor Small stated Sunday to the committee in a long distance conversation that he would make every effort to visit Jacksonville on Friday, Aug. 5, and felt sure he could so arrange his tour of road inspection in order that he could inspect the new hard road out of Jacksonville and also, take in the Round-Up in the afternoon.

Friday will be a big day in this city. The governor's probable visit, the Round-Up and the Mardi Gras at night if the weather is fair. The town will not hold the crowd of visitors.

A tent housing twelve head of carefully selected saddle horses is now on the north end of the Stout lot. They are the horses to be used for fancy riding, running races and other difficult work requiring a well trained horse, in the Round-Up.

The horses were feeding quietly in the tent this morning. One of them was allowed to run loose, but did not wander far from its companions. Most of the horses are bay or sorrel, but some of them are brown and white.

At the east end of the string of horses under the tent stands "Chief," the beautiful brown and white jumping horse. He jumps eighteen feet across an automobile, clearing the ground by six feet. He will be ridden during the performance by Leonard Stroud, the manager of the show.

Most of the stock to be used in the Round-Up has arrived. More than a score of horses, including ten head of

bucking broncos are now on pasture northwest of the city. One carload of stock is yet to arrive. The ten broncos which will appear here were picked from those used at Chicago and bought by Mr. Stroud for this occasion. They are considered the worse outlay horses in the country, when it comes to bucking to throw a rider. These animals have been tried out and found practically unbreakable; or in other words, they have been put through their paces and found bucking.

Workmen are busy on the Stout lot building fences and pens to confine the stock while not being used in the ring. There will be pens and yards at both the north and south ends of the lot and the bleachers will be placed along the sides.

All the equipment needed to make the Stout lot into an arena for the big Round-up is now on hand. Two trucks from Jenkinson & Bode and one from McNamara & Company journeyed to Springfield Sunday and arrived in Jacksonville at 4 p. m. yesterday loaded to the guards with tents, seats, side wall, box offices, etc.

By 6 o'clock last night the big horse tent was up and this morning a force of men are busily engaged in sinking poles to fence off the arena. The grounds committee were on the lot early Sunday morning taking off the location according to blue prints drawn for the office.

The tent man from Armbrusters will take charge at 7 o'clock Monday morning and by evening it is expected that the whole show lot will give the appearance of a sitting for a real Wild West display.

Deaths

Jones.

Anna Louise Jones, four-year-old daughter of Mr. and Mrs. Ernest W. Jones, died Monday morning at 9:50 at the family residence five and one half miles southeast of Woodson. Death came as a result of infantile paralysis. The little girl had been sick only since last Thursday.

She was born in Jacksonville, February 5, 1917. Survivors are the parents and one brother, Willard Sargent Jones.

Funeral services will be held at the residence at 10:30 Wednesday morning. The body will be

laid to rest in Diamond Grove cemetery.

Hacker.

Word has been received here telling of the death of Mrs. Tillie Hacker of Denver, Colo., who died last Friday at the home of her sister, Mrs. William Switzer, at Colorado Springs. Mrs. Hacker was formerly a resident of Jacksonville, where she was known as Miss Tillie McCauliff. Her husband, Frank Hacker, was a cigar-maker here. Both were well known in this city.

Survivors are the husband and

one son, four sisters and one brother. Funeral services were held at Colorado Springs.

HOME AGAIN

Miss Lillian Haven? returned Saturday from a trip to the north of the state. She first had a pleasant visit with some of her relatives at Morris. From there she went to Deer Park and Starved Rock and took in the interesting features of those well known localities. After further stay with friends up there she returned home.

The assistant hostesses will be Mrs. George Gilbert and Mrs. Will Gilbert. The club members and their families will be among the guests present.

Entertained Friends
Mr. and Mrs. James Bunch and family entertained at their home south of Naples Sunday the following: Mr. and Mrs. Oscar Albers and son Harold and daughters, Dorothy and Julia, Mr. and Mrs. Frank Cannon and sons Jesse and Cleal Bunch of Naples, Mr. and Mrs. Ed Lear and daughters, Lee, Faye and Elsie and grandson, Donald, all of Chapin.

Missionary Society Meets Monday Night
The Mary Melton division of Woman's Foreign Missionary society of the Centenary church met Monday evening at the home of Mrs. George Edman, 708 West North street.

Mrs. Frank Kitner was a leader of the meeting, which was mostly of a business nature. Grafanola music was enjoyed during the meeting and refreshments were served at the close.

Henry Werris Birthday Celebration
Sunday was the 20th anniversary of the wedding of Mr. and Mrs. Henry Werris of Arbus neighborhood and it was deemed the proper thing to celebrate the event in a suitable manner so to that end a list of friends to be invited was made out and they would have been glad to have the list much longer had it been possible.

The guests began to arrive during the afternoon and had a very enjoyable time.

Toward the latter part of the day a fine ice cream supper was enjoyed on the lawn when all did full justice to the good things provided.

Among the guests were Walker Henderson and family, Zed Bell and family, Rev. Mr. Bracewell and family, Ed Rogge and wife, Nathan Ross and family.

A royal time was enjoyed and the guests departed wishing Mr. and Mrs. Werris many happy returns of the occasion with all the guests of Sunday present.

Don't fail to see Blanche Sweet in "The Hushed Hour" at the Grand tonight.

SUPPER AT PARK
The Woman's Foreign Missionary society of Grace church will give a picnic supper at Nichols park this evening at 6:30 o'clock. In case of unfavorable weather the supper will be served in the church.

Proprietor of South Main Street Grocery Dies Suddenly Monday Morning—Had Been in Business there Since 1882.

Charles L. Stevenson, proprietor of a grocery store on South Main street since 1882, died at 4 o'clock Monday morning at his home, 1358 South Main street. He had been ailing with heart trouble for a number of years, but his death was unexpected.

Mr. Stevenson was able to be about Sunday. Near midnight he became ill and a physician was called. His condition rapidly grew worse. No inquest will be necessary, as the decedent had been under medical treatment for a long period.

The decedent was born Dec. 11, 1855, in the Little Indian community, Cass county, a son of Augustus and Elizabeth Stevenson. His father died when he was 4 years old. At the age of 10 years he came to this city with his mother. They took up residence at the place where his death occurred.

His mother united in marriage with Bernard Gunn, who opened a small store on South Main street near the Jacksonville State hospital. After the death of Mr. Gunn Mr. Stevenson assumed charge of the store. This was in 1882, and since that time he had conducted the business. His honest and upright methods gained for him a substantial business and a large circle of friends.

On March 27, 1917, Mr. Stevenson was united in marriage with Miss Gussie Walker, who survives together with a half brother, Edward Stephenson.

Funeral services will be held at the home, Wednesday morning at 9:45, with the Rev. E. L. Fletcher in charge. Burial is to be made in Diamond Grove cemetery.

WITH THE SICK

Mrs. S. P. Davis entered Passavant hospital yesterday for treatment.

Miss Violet Davis, residing on South Diamond street is numbered among the sick.

Mrs. Charles Patton of Webster avenue was taken to Passavant hospital yesterday and will be operated on today for appendicitis.

Mrs. Milton Kelly and daughter Marie returned yesterday from Edwardsville, where they had a pleasant visit with Mr. and Mrs. John Jones.

CITY FINANCES ARE DISCUSSED

Alderman Rowe Makes Report of Expenditures for Month of July. Many Other Matters Are Considered.

Alderman Rowe, chairman of the finance committee of the city council gave the aldermen some figures on expenditures for the month of July which show that the city must retrench in every possible way for the remainder of the year.

Alderman Rowe told the members that approximately \$8,100 was spent during the month. This is practically a fixed expense and means, the alderman said, that it will leave a deficit of between \$25,000 and \$30,000 by the end of the fiscal year.

When the clerk called the roll it showed all aldermen present except Ald. Chapin. The minutes were read and approved. A communication from the O'Brien Boiler Works of St. Louis relative to the contract for breeching for the boilers at the new power plant. The clerk was instructed to notify him that the contract had been let.

Superintendent of Streets White presented a report showing the cost of putting in water connections into the high school building was \$73.40. The clerk was instructed to get the amount of expense the water department had and send the bill to the board of education for payment. Claims against the city were ordered paid.

Officers Reports

The reports of the following officers were received and placed on file:

Frank Kiloran, chief of police, reported 20 arrests. City cases 16, state cases 4; fines collected \$87.30.

A. M. King, city physician, number of deaths 40, residents 19, non-residents 19; under one year 3, one to five years 3, five to twenty years 2, twenty to fifty 5, fifty to seventy years 13; over seventy years 14.

Justice of the Peace Bayha reported for June total fines and costs \$208. City \$167.30, J. P. costs \$41.10.

Frank Tendick, superintendent of garbage, reported receipts of \$53.46 and disbursements of \$2,336.06.

H. H. Summers, sexton of Diamond Grove cemetery, reported seven interments and John E. Pirse, sexton of Jacksonville cemetery reported 15 interments.

W. H. Cobb, water superintendent, reported receipts as follows: Meters \$114, Yaps \$7, Meter repairs \$1.20, Jacksonville Railway and light company 70c water sold \$4,590.23. Total \$4,719.96.

Talks of Finances

At this time Alderman Rowe made his report on finances. As indicated, the city expenditures for the month of July were approximately \$8,100.

Mr. Rowe explained that one reason for the present financial condition of the city is the building of the new light and power plant. The plant cost more than was expected but Mr. Rowe said he hoped the city would be able to reach the end of the year with a deficit of between \$25,000 and \$30,000.

Alderman Lonergan for the water committee reported that it was hoped to have the plant in operation within thirty days. This was welcome news to the alderman as there has been big expense through paying for power for pumping.

Mayor Crabtree spoke of the purchase of the land from Mr. Thies for Diamond Grove cemetery. Mr. Crabtree said there were some defects in the abstract that would have to be cleared up. He was instructed to go ahead and complete the transaction.

Alderman Lonergan reported that the bid of George Otto, boiler company of Springfield, was the lowest for building the breeching for the new power plant. He offered a motion that the mayor and city clerk be instructed to enter into contract with the company which carried.

An ordinance fixing the bond of the city attorney at \$1,000 and defining his duties was adopted with an emergency clause attached.

First Ward Playground

Mayor Crabtree said that Mr. Nichols had reported that the First Ward playground was not a success and asked him if the city would be willing to deed the property back to him. The aldermen seemed to be of the opinion that this should be done and the matter was referred to the mayor and city clerk with power to act in making the necessary transfer.

Alderman Flynn told of the habit of drivers in driving over new concrete intersections before they were dry, causing much damage. This matter was discussed at length and it was thought that the crossing should be protected but no definite action was taken.

Alderman Flynn also spoke of the need of tilling across Beeley avenue and this was referred to the highway committee for action.

Cutting Weeds Discussed

The matter of cutting weeds also came up and it was the unanimous opinion of the council that the ordinance should be enforced. Each Alderman was instructed to at once make a list of all offenders in their respective wards and give them to the city clerk to send out notice.

If the notices are not obeyed in five days the offenders will be arrested. The fine under the ordinance is not less than \$3 nor more than \$20 and \$1 per day for each day the nuisance is unabated.

Alderman Flynn brought up the matter of the sidewalk on the west side of Howe street adjacent to the State School for the Blind. He was told that the appropriation had been made and the clerk was instructed to notify the Wabash railroad to take care of

the walk on both sides of its right of way.

Alderman Rowe extended an invitation in behalf of the Chamber of Commerce to the mayor and city council to attend the big Wild West Roundup on Friday. Mr. Rowe said that mayors and presidents of village boards and the members of the councils and boards in many adjacent cities and villages had been invited and it was expected that many of them would be here. The council accepted the invitation.

No further business appearing the council on motion adjourned.

SINCLAIR GIRL NOT YET FOUND

Mrs. Cora Mathes of Jacksonville rural route 6 was in Jacksonville Monday seeking assistance in finding her thirteen-year-old daughter, Mary Susan Elizabeth Dodd, who left home last Tuesday morning. A description of the girl appeared in the Journal Saturday morning.

Mrs. Mathes has learned that the girl walked to Sinclair where she boarded a C. & A. train with a ticket to Ashland. She thinks she may have been trying to get to Springfield, and then to Edinburg, nineteen miles southeast, where she has relatives. The girl carried only two dollars in money.

The family has lived in Morgan county only a short time.

RED CROSS WILL HELP GOVERNMENT

Will Attempt to Clean Up Claim of Every Veteran of the World War.

Washington.—At the request of the Bureau of War Risk Insurance the American Red Cross through its nation-wide chain of chapters will assist the government in its "clean-up campaign" designed to place the claims of every veteran of the World War entitled to governmental assistance in the course of adjudication. As the result of conferences with Col. Charles R. Forbes, director of the War Risk bureau, concerning details of the intensive campaign in which the American Legion also will assist, National Headquarters has instructed the managers of all Red Cross divisions and through them all Red Cross chapters to place their resources at the disposal of the federal officials who will conduct the clean-up.

In a letter addressed to the district managers and supervisors of the War Risk bureau containing detailed instructions for the cam-

paign, Col. Forbes announces its purpose is "to assist disabled ex-service persons in securing compensation, medical treatment and hospital cost; to inform and assist all claimants regarding the procedure necessary in filing a claim for compensation and insurance; to assist those whose claims are pending in securing final action where additional evidence is necessary to connect their disability with service, and to provide for immediate physical examination where necessary, and promptly to furnish hospitalization for urgent cases."

All district managers of the War Risk bureau are instructed to create immediately in each state a clean-up squad consisting of representatives of the government, the Red Cross, and the American Legion, which shall undertake to locate all veterans who for any reason have failed to obtain proper adjustment of their claims. Ample power has been conferred on these arrangements made for locating the claims thus located in the course of adjudication through the shortest possible channels.

LITERBERRY MAN CELEBRATES BIRTHDAY

Birthday Anniversary of John Daniels Fittingly Observed Sunday—Other News Notes.

Literberry, Aug. 1.—Mr. and Mrs. John Guy are moving their goods to "The Ivies" on East Capitol street and Fred J. Henderson and family of Woodson will occupy Seven Gables.

John Daniels had a birthday on Sunday and his wife baked angel food cake with pink icing and provided many other good things to eat and invited the relatives to help celebrate the day. There were no candles on the big cake but Harold Lee says his father is thirty-five years old. There were about a dozen guests present.

"The Little Clodhopper" play given by the Juniors of the Baptist church on Saturday night was a success. The sale of cream, cake and orange ice brought in about thirty-eight dollars.

Some of our people went to Bath and Chandlerville on Sunday for an outing taking a lot of boxes and baskets along, all filled with good bread, cake, pie, pickles, salads, cottage cheese, fruit and many other good things. They bought beef and cooked it at the picnic grounds. There were several children among this bunch and all had a happy time.

We drove the Interstate car to Grace Chapel Sunday afternoon and heard a good sermon by Rev. J. L. Wallace. Subject, "Paul and his persecutions." Mr. Wallace told his congregation that in many cases, persecutions are a benefit to the Christian.

The closing thought was "A man can climb no higher than he climbs when he is seeking Christ."

Mrs. Sarah Stevenson of Peoria boulevard is improving in health and will soon be all right.

There was a very good and busy meeting held at the home of Mrs. Guy on Thursday when the Mission circle met and did sewing for the Irvington Orphanage.

Refreshments were served after the work was done. The August meeting will be at Orchard Place with Mrs. J. A. Liter, the Mission treasurer.

INDEES-WHITE SOX GAME ENDS IN ROW

The Indees-White Sox game at South Side park Sunday afternoon ended in a row. With the White Sox leading in the last half of the seventh by a score of 4 to 2 the Sox players took exception to a decision of Umpire

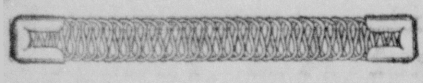

Ely on DeFratres at first base and left the field. Umpire Abell who was calling balls and strikes at the time made some announcement to the stands but there was so much noise we never learned what he said. It is probable that if the game had continued the White Sox would have won. The Indees were only able to get three safeties off of White in six innings while the White Sox had nipped Padgett for nine safeties in six and one half innings. The Sox had one error chalked up against them and the Indees played without an error.

FINE SHOWING IS MADE BY CANDIDATES

Contest for Queen of the Mardi Gras Is Developing Into Spirited Contest.

The excellent showing made by many of the candidates on the Mardi Gras contest yesterday has increased the intense interest already aroused by this feature of the week's doings and stimulated the efforts of those whose candidates are showing prize winning possibilities. Checks are arriving at the Chamber of Commerce by every mail from friends of the candidates who find it necessary to use this method to get their votes recorded.

Many surprises are promised for the next count which will be made at the close of the contest, 10 p. m. next Thursday night. Votes received after ten o'clock will be added to the general fund, but will not be credited to any candidate, as no votes can be cast after the count is commenced.

Today's standing of the contestants was:	Points
Clara Russell	7780
Helen Martha Allcott	6325
Hazel Widmayer	5487
Louise Trahey	4496
Louise Gebert	3904
Cora Cherry	2718

FAR AWAY TRAVELERS

E. T. and F. L. Lucas and families of Tulsa, Oklahoma, arrived in the city in their Chevrolet car homebound Sunday. They had a complete camping outfit which they had used on the journey and said they had visited many leading cities in Canada, New York, Pennsylvania, Ohio, Indiana and other states. They looked well but weather beaten and tanned with a healthy shade.

New York, Aug. 1.—Protest to Commissioner Landis against the use of Pitcher Markie by the Cincinnati Nationals against New York was made today by Colonel Jacob Ruppert, president of the New York Americans. Yankees recently filed a claim to the players when the Reds announced his purchase from the Atlanta Southern association club. President Ruppert claims his club never gave up title to his services.

WILL ATTEND SUMMER SCHOOL

The Rev. Samuel Graves, pastor of Durbin and Providence churches, expects to leave Wednesday night for Evanston, Illinois where he will attend a school for rural pastors at Northwestern University, for three weeks.

AUTO TRAVELERS

A bronzed and healthy looking family drove into the city yesterday. They had been to Niagara Falls and elsewhere and were on their way to their home in Tulsa, Oklahoma. They were S. G. Perry and family.

Leonard Wheeler has built a new swing for the front yard of his home at 509 South Church street.

JOE DUGAN WANTS TO BE TRANSFERRED

Philadelphia, Aug. 1.—Joe Dugan the Athletics missing third baseman, wrote to Manager Connie Mack from New York today announcing his intention of quitting baseball unless he is sold or transferred to another club.

Dugan walked off the field during a game last week, refusing to play longer because the fans persisted in joshing him. Mack has placed the case in the hands of President Johnson and Judge Landis.

THAT DULL ACHING

Don't worry and complain about a bad back. Get rid of it! For weak kidneys, lame and aching backs, your neighbors recommend Doan's Kidney Pills. Ask your neighbor!

Mrs. S. M. Hussey, 534 S. East St., Jacksonville, says: "I had a dull, dragging ache through the small of my back. I felt miserable and languid most of the time, and my housework was burdensome. My kidneys acted irregularly and caused me annoyance. I had dizzy spells, too. I heard that Doan's Kidney Pills were good for this trouble so I got some at Shreeve's Drug Store and began using them. It didn't take long for this fine old remedy to have me feeling better. I haven't used a kidney remedy in two or three years so my cure has been a lasting one. I am sure glad to recommend Doan's for I know they are good."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Hussey had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

Daily Market Report

CROP REPORTS

CHICAGO, Aug. 1.—Bullish ad-
vice regarding the spring crop
yield did a good deal to strengthen
the wheat market today despite
big receipts here. Values closed
firm, 1c to 1 1/2c higher with Sep-
tember \$1.24 1/2 to \$1.24 3/4 and De-
cember \$1.27 1/2 to \$1.28. Corn
lost 1/2 @ 3/4c, and oats finished
unchanged to 1 @ 3/4c lower. In
provisions the outcome ranged
from 5c decline to 10c advance.

Buying orders from the north-
west gave special emphasis to mes-
sages saying that domestic spring
wheat territory which looked
promising ten days ago was fall-
ing down badly on final returns.
Notice was taken also of gossip
that stocks of flour everywhere
were low. Besides, considerable
importance was attached to an es-
timate by one authority putting
the Canadian crop at 270,000,000
bushels as against earlier esti-
mates of 300,000,000 bushels
to 350,000,000 bushels.

Strength in the market was more
than offset for a time by big re-
ceipts here and by slackness of ex-
port industry. Nevertheless con-
tinued power to rally was shown,
especially after mid-day when the
visible supply increase, altho
large, proved to be less than many
traders had looked for.

It was said too, that rural con-
ditions in the southwest had
dropped off at a rapid rate.
Rains and cooler weather had a
bearish effect on corn. Heavy ar-
rivals weakened oats. Lard and
ribs averaged lower in sympathy
with hogs. Pork in which there
was next to no trading finished at
a normal advance.

PASSION PLAY TO BE GIVEN IN 1922

Thirty Performances of Play to Be Given at Oberammergau—Anton Lang to Again Be Cast in Role of Jesus Christ.

OBERAMMERGAU, Bavaria.—(By The A. P.)—Thirty performances of the Passion Play have been scheduled for 1922 by the committee of 21 which is directing the spectacle, but this number will be increased if the attendance demands, as was the case both in 1900 and 1910.

It will require an outlay of 1,500,000 marks to stage the Oberammergau play and the villagers are extremely anxious about the German political situation, lest conditions be such that foreigners will not attend.

The 350 burghers, who constitute the descendants of the original peasants who made the vow to produce the play decennially, personally assume the responsibility for this expenditure, and the failure to attract sufficient visitors to meet the cost would result in the bankruptcy of practically the entire village, as the Oberammergau folk have slight resources.

Most of the burghers are woodcarvers, potters, painters, sculptors, farmers, merchants and small shopkeepers. Only the descendants of the villagers who were saved from the plague in 1333 take part in the Passion Play and assume responsibility for its production.

Next October will be a fateful month for then the names of the villagers who are to have the leading roles in the spectacle will be announced.

To be selected to enact the role of Jesus Christ or one of the apostles is a far greater honor to an Oberammergau man than election to the presidency of Germany or any other office within the gift of the entire German people.

And any woman of Oberammergau would far rather be chosen to play the role of Mary or Martha or Mary Magdalene than to be in the position of Frau Ebert as mistress of the President's palace in Berlin.

Many of the actors in the Passion Play next year will doubtless be the same as those in the cast when the play was last produced in 1910.

Anton Lang, who enacted the role of Jesus Christ in 1900 and 1910, will probably be chosen for the part again, as he is still young enough to undertake the arduous task and looks the part so well that younger aspirants are not likely to displace him.

Ottile Zwink, who played the role of Mary in 1910, has married since that time. No married woman can play a role. Consequently all the young women of Oberammergau with ability and experience as actors are eagerly trying to qualify for the highly important part. Paula Rendi, daughter of Peter Rendi, the sculptor, who was Joseph of Arimathea in the play of 1910 and enacted the role of St. John 21 years ago, is one of the most promising candidates for the role of Mary. Efraim Rendi has shown great ability in minor religious plays which are produced constantly by the Oberammergau folk as a means of training actors for the Passion Play.

Marie Mayr, who played the role of Mary Magdalene in the 1910 production, has also married and is living in Chicago. Marie Schmid, who was the Veronica in the last production, has also married.

Eighty-two of the Oberammergau men died during the war and many of the older actors of the last production will be disqualified for important roles. Consequently there are scores of places in the cast to which young men with ability as actors may aspire. They have begun to let their hair grow. Wigs and make-up are not permitted by the directors of the Passion Play.

Practically all the older men who had important parts in the last production have never cut their hair. Many of them have retained their long beards and pride themselves on their resemblance to the biblical characters they have depicted.

The Loyal Order of Dads has been founded at Ft. Myers, Fla., by "Dad" Sheldon Foote, who has announced that membership will be open to all fathers of ex-service men of the

army, navy and marine corps of the United States, who served in the Spanish American or world wars, or who are now in service. The members will encourage clean, patriotic living in their communities, irrespective of party, politics, race or creed. The organization will be affiliated with the American Legion. The headquarters will be at Ft. Myers.

Charles W. Bartlett, chairman of the distinguished visitors committee of the national convention of the American Legion, will go to France next month as a member of the commission to represent Missouri in the purchase of a site for a memorial in France to Missouri's soldier dead. While in France Mr. Bartlett will call upon Marshall Foch and extend to him personally the written invitation which the latter has accepted to attend the national convention of the Legion at Kansas City October 31st, and November 1st and 2nd.

Roy L. Rinker Post of the American Legion at Apache, Okla., has offered a reward to any person who will find an ex-service man within ten miles of the town who is not a member of the American Legion.

DIFFICULTY IN GETTING BUSINESS

Rome.—By the A. P.—Italian navigation lines between Italy and America are having great difficulty in finding business for their liners at the present moment, due to the enactment of the present American immigration law. To meet the difficulties, the Navigazione Generale Italiana line has directed part of their ships

into a new Italian-Canadian service. This is the first Italian line that has been established between Italy and Canada. The other steamship companies are also occupied on the problem of finding other fields for the surplus Italian population. It is expected that one or two more Italian companies will commence sailings to Canada diverting their present New York service to that effect.
